

VINTAGE CLASSICS

Fall 2007 will see the relaunch of the prestigious Vintage Classics imprint. Vintage Classics is fortunate to already have the top twentieth-century classics list in the UK, publishing writers such as Graham Greene, Virginia Woolf, Iris Murdoch and Franz Kafka. These illustrious names will be joined by the greatest writers from previous centuries including George Eliot, Charles Dickens, Jane Austen, Henry James and Oscar Wilde.

This move is in keeping with the ambition of Vintage to publish the best writers of today, yesterday and tomorrow.
